TOTAL ESTIMATE:

NOTES:

- Our insurance does not cover personal effects, acts of God, or damage to home due solely to condition of home. Examples: Frame collapse, blowouts, burned out bearing and hubs, broken windows, paneling coming loose, etc. Our insurance will cover collision whether our fault or not, fire or theft of home while in transit.**
- Customer is responsible for making inside ready for move.
- Mileage is computed on route we travel, not necessarily shortest route.
- Our fee for blocking is for normal block job. Lowering or raising home, extra charge by hour. All materials extra.
- We are not responsible for used anchors, hard ground, rock, tree roots, etc.
- Our fee for removing or installing axles applies only to axles which match home correctly. Mis-matched axles take longer and will be charged accordingly.
- Some of our trucks are winch equipped. Winch fee for our truck is \$200.00 an hour with one hour minimum. Any other wrecker service - Customer responsibility.
- ALL CHARGES ARE PAYABLE IN ADVANCE AT THE TIME OF BOOKING. ANY ADDITIONAL COST FOR MATERIALS OR LABOR WILL BE PAID AT COMPLETION OF THE JOB.**

We charge extra for taking down or putting up fences, building bridges and shoring to cross ditches, matting through mud, cutting trees, taking down awning or anything else which is not shown on estimate. Return trips to job site, extra charge.
